Animal maskHuman identityGender inversionBiological sex

• Signals of same polarity reinforce one another

Signals of opposite polarity cancel each other out

Purest possible OFF ideally alternates with loudest possible ON

## **Workshop questions**

Thunder and cooking

Examine each of the following combinations. Should it happen or not? (Remember, we are dealing with idealized ritual states, not physical or social ones). Now think about any fairy story or horror film.... How closely is the syntax followed?

Seclusion and cooking
Seclusion and incest/orgiastic sex
Incest/orgiastic sex and cooking
Incest/orgiastic sex and being eaten
Incest/orgiastic sex and human identity

Seclusion and waxing moon Incest/orgiastic sex and thunder Seclusion and animal mask Incest/orgiastic sex and death

Seclusion and marital sex

Animal mask and cooking

Animal mask and heterosexuality

Animal mask and thunder

Animal mask and rebellion

Death and cooking

Death and seclusion

Death and midday sun

Death and eclipse

Death and thunder

Thunder and incest/orgiastic sex

Thunder and human identity....

Animal mask and taboo
